

Fairbanks Snow Travelers is reorganizing to better serve its membership's needs. Board and General meetings will be held just before rides or events. For example, October's general meeting, which will include voting for FST's new board members, will be held at the October 11th Swap Meeting. Future meeting and event information will be posted on the FST web site (<http://www.snowtravelers.org>) and on the FST SLED line (479-7533). This is the only newsletter planned for the 2003-2004 riding season. There may be periodic announcement information sent out to the FST members, but both the SLED line and web site will be regularly maintained to make sure information is available to all members.

Safety Tips for the Upcoming Riding Season

NATIONALLY APPROVED SNOWMOBILE HAND SIGNALS

Elections:
Dean Allen—President _____
Tim Ristow _____
Crystal Goula _____
Write-ins _____

Show up at the Swap meet to vote for Snow Travelers Board members.

Tentative ride ideas for the 2003-2004 riding season.

If you have any suggestions other than the ones listed below, call the SLED line and leave a message with the ride information.

- White Mountains
- Skip's Cache to Chena Hot Springs
- Skip's Cache to Chatanika Lodge
- Pike's to Nenana, w/ Monderosa for lunch

Remember to check the FST web site, <http://www.snowtravelers.org>, or the FST SLED line (479-7533) for updates and current information on rides and events.

FST SWAP MEET

The Fairbanks Snow Travelers annual swap meet will be Saturday, Oct 11th from 10:00 am to 3:00 pm at the Fairbanks Motor Sports parking lots on South Cushman.

Hot dogs and coffee will be available as well as table space (for a small donation) and lots of parking.

So clean out your garage and extra sled gear and bring it down to sell or stop by and check out what is available. You never know what you'll find for your old sled or your current ride.
