Rider Levels: Fam = Family oriented, specifically for family groups, children and adults; Inter = Intermediate level for those with some but limited riding experience; Adv = Advanced levels for the experienced riders, may include some hill climbing and long trips

The Fairbanks Snow Travelers tries to keep a current ride schedule published during the winter months. This schedule is made up of events that volunteers are organizing. A typical ride will have a ride coordinator who selects a location, time and arranges for ride helpers or sweeps. Early in the season we have rides to areas that have had ample snow in past years, but no one can predict exactly where good snow will be. Therefore the schedule changes as volunteers and snow dictate. The popularity of the overnight rides mandates that early registration (sometimes with deposit) is the only way to ensure your space. The event schedule is published in the

newsletter every month and is discussed at each monthly meeting with updates. The HOTLINE 479-SLED or web site, www.snowtravelers.org are the best sources for current information. There is always the possibility of having Sunday rides. To participate in club rides, you must be a member in good standing.
